We are thrilled you will be joining our camp family! Our team has been hard at work preparing for a summer of great activities, trips, experiments, projects and more. We can't wait for the first day, when our campers come through the doors and dive into all the great things we have planned. Throughout the summer, your child will be engaged in activities infused with our core values of Caring, Respect, Honesty, and Responsibility. We truly believe that camp enriches a child's life immensely and hope to create a nurturing, engaging atmosphere.

The following information is a basic guide to help you know what to expect this summer at Summer Discovery. For more, detailed information, please view our Camp Handbook, located on the website.

How will my child benefit from attending Summer Discovery this summer?

You can be confident that your child will be safe and have tons of fun while attending Summer Discovery this summer. Beyond that, we want to help your child gain positive developmental growth over the summer as well. As a result of our efforts, we hope that you will see growth in your child in the following 9 areas.

1. Social Skills
2. Independence
3. Teamwork
4. Confidence
5. Curiosity
6. Responsibility
7. Appreciation for Nature
8. Problem-Solving Confidence
9. Summer Learning Loss Prevention

At Summer Discovery, we are going to be focusing heavily on teamwork, curiosity, and appreciation for nature above all else. We will be incorporating specific strategies and activities that will allow us to focus on gaining positive growth in those areas. Our curriculum covers many aspects of the world around us. Campers will utilize their curiosity and be challenged to critically think during our 3R's (Reading) program. During this time, campers will read short stories, have discussions about the environment and learn many new words and definitions.

Before the First Day

- **Talk with your children about Camp.** Having pleasant, positive conversations about what will happen at camp, as well as going over the daily schedule/theme for the week and talking about friends that they will see while at camp before the week begins will help your child feel more comfortable and will hopefully excite them for camp!
- **Be sure to leave plenty of time** on the first day to get ready and to eat breakfast.
- **Have a plan.** Your child may become upset when you drop them off. We have found from experience that it is best for you to have a routine with your child for drop off. Tell your child that you will be back to pick them up - or tell them who will be picking them up that day. If you are struggling, please let our staff know and we will gently help your child get involved in an activity and the tears will soon disappear.
- **Having a routine and knowing what to expect** allows your child to have less anxiety about their camp day, and starts your day off right too!

NUT-SAFE FACILITY

Keep in mind that we are a **NUT-SAFE FACILITY**. Please make sure your child comes to camp without any nuts, nut products or peanut butter items. Staff will check the ingredients and remove any items that may contain nuts. These items will be returned at pick-up, but we appreciate any effort to eliminate these. Any item that “may contain” peanuts or tree-nuts will not be permitted.

LOST AND FOUND

Clearly label with your child’s full name any clothing and possessions that your child brings to camp. “Found” items that have campers’ names on them are usually returned the same day or the next day. If you are ever in need, our staff will help you look for a lost item.

CAMP T-SHIRT

Campers will be given their camp T-shirt (included in the cost) on their first trip day. Additional shirts can be purchased at the YMCA office for \$6.00. On trip days, campers are required to wear their YMCA camp T-shirt.

COMMUNICATION

- ★ **Electronic:** During the summer, we will be communicating with you through Pulse and Mailchimp communications. This will be our main source of communication with you so [please let us know](#) if there are any changes in your contact information. If you'd like to add an additional email to our Mailchimp list, please contact kcestar@metroymcas.org. We will also be sending regular updates every week during the summer.
- ★ **BAND:** For photos and general fun announcements, we are using BAND! Our band invite link will be sent soon.
- ★ **In Person:** Please feel free to request to speak to your child's coordinator at any time with questions or concerns. Our team will be working very hard to make every child happy. Please understand that drop-off and pick-up can be a bit hectic and busy for us. If you feel that you need to have a longer conversation with a coordinator- kindly ask them to call you during the afternoon or next morning when they have a chance, or schedule time to speak in person that is during a better time.
- ★ **PULSE:** Our summer camp programs use Pulse, a management system where you'll input essential camper information (emergency contacts, health details, etc.). You'll receive an invitation via email to create your account. This information must be completed before your child's first day at camp.

Extreme Weather Update

On extreme heat or rainy days, drop-off and pick-up remains the same. On heavy rain days, we do not perform curbside- your camper and staff will remain inside. For drop-off on heavy rain days, you will need to park legally and walk them to the door for sign-in. For pick-up, you will park legally and come to the door. The weather can often change quickly in the summer, so we ask that unless we communicate a change in swim, please come prepared on water play days. We try to make the best decision close to the time as we want to get in as many water days as possible!

Weather Monitoring: We track conditions daily using Weather.com and the guidelines in Weather Watch. Families will be notified promptly if plans need to shift.

PROHIBITED ITEMS

Leave electronics, toys, and stuffed animals at home. Phones and smartwatches must remain off and are not to be used during camp. If a camper needs to contact a parent, they will ask a staff member.

3Rs

Our 3Rs program is an integral part of Summer Discovery. 3Rs is a reading program where our campers read theme-related books (or non-fiction articles, for the older campers) aloud and identify key vocabulary words. Campers then participate in word searches, crosswords and other interactive activities to explore the content of the book/article and definitions. The idea is that they are learning new words and critically thinking about words with multiple meanings.

We are so ready for the summer and can't wait to meet all our campers! Please don't hesitate to call us with any further questions or comments you may have now or in the future about camp. We are always open to your suggestions and ideas.
